Why Choose Us

At Lake Washington Windows and Doors, we understand you value quality and efficiency. That's why we invest in technology and process improvement; to save you time, money, and headaches. You can invest in a premium window or door, but if it's not installed correctly, you lose its premium benefits. By treating the installation process like a science, we eliminate the opportunity for costly mistakes and a short-lived product.

With almost 700 5-star reviews, we strive to raise the standard of window and door replacement by taking exquisite care of your home and installing windows and doors with precision and craftsmanship.

Trust

With over 100 combined years of window and door installation experience, you can put trust in us to do the job right the first time.

Customer Care

By going with us, you'll be consistently in the loop on what's going on, have access to trusted advisors, and know exactly what to expect in every step of our process.

Innovation

We've innovated a unique installation process called the Leak Armor Installation. By utilizing layers of flashings, pans, and sealants, our unique installation doubles the lifespan of your windows and doors, while increasing the energy efficiency of your home!
